

CALL FOR POSTERS

Poster Session – Jeju 2011 Symposium on Microgrids

The 2011 Jeju Symposium on Microgrids will include a poster session. To participate, please submit a one page abstract that describes the poster's objectives and content. An electronic version of the poster will be required prior to the symposium to be included in the symposium proceedings. The abstract should also specify which of the following areas is appropriate for the poster.

Subject areas for the poster:

- Demonstration projects
- Architecture and design
- Technology and equipment
- Operation: control & protection
- Regulatory issues
- Economics
- Others (to specify)

The Jeju Symposium Poster Committee will review the abstracts and notify the successful poster authors for final submission and presentation.

The important deadlines are as follow:

Abstract submission:	March 18, 2011
Notification of acceptance:	March 31, 2011
Submission of electronic version:	May 2, 2011

Poster presenters are responsible for printing out their posters (recommended size 1.0 m by 2.0 m) and bringing them to the symposium. The poster language must be English.
